**A. PG&E Stock Restrictions**

(1) Definitions. For purposes of these Stock Procedures, the following terms have the following meanings:

- (a) “**PG&E Corp.**” shall mean PG&E Corporation.

<sup>1</sup> Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Final Order.

- 1 (b) “**Utility**” shall mean Pacific Gas and Electric Company.
- 2 (c) “**Common Stock**” shall mean common stock issued by PG&E Corp.
- 3 (d) “**Preferred Stock**” shall mean preferred stock issued by Utility.
- 4 (e) “**Option**” shall mean any contingent purchase, warrant, convertible debt, put,  
5 stock subject to risk of forfeiture, contract to acquire stock, or similar interest regardless of whether it  
6 is contingent or otherwise not currently exercisable.
- 7 (f) “**PG&E Stock**” shall mean, collectively, Common Stock and Preferred Stock.  
8 For the avoidance of doubt, by operation of the definition of beneficial ownership, an owner of an  
9 Option to acquire PG&E Stock may be treated as the owner of such PG&E Stock.
- 10 (g) “**Beneficial ownership**” of PG&E Stock and Options to acquire PG&E Stock  
11 shall be determined in accordance with section 382 of the title 26 of the United States Code (the “**Tax**  
12 **Code**”), the regulations promulgated by the U.S. Department of Treasury under the Tax Code (the  
13 “**Treasury Regulations**”), and rulings issued by the Internal Revenue Service (the “**IRS**”), and as  
14 described herein, and, thus, to the extent provided in those sources, from time to time shall include,  
15 without limitation, (i) direct and indirect ownership (but determined without regard to any rule that  
16 treats stock of an entity as to which the constructive ownership rules apply as no longer owned by that  
17 entity), e.g., a holding company would be considered to beneficially own all stock owned or acquired  
18 by its subsidiaries, (ii) ownership by a holder’s family members, (iii) ownership by any Entity, and (iv)  
19 to the extent set forth in Treasury Regulations section 1.382-4, the ownership of an Option to acquire  
20 PG&E Stock.
- 21 (h) “**Acquiring Group**” shall mean any group of persons (including any Entity) that  
22 has a plan or arrangement to acquire beneficial ownership of the stock of more than one Debtor within  
23 the meaning of Treasury Regulations section 1.1502-92(c)(3)(i).
- 24 (i) “**Entity**” shall mean any “entity” as such term is defined in Treasury  
25 Regulations section 1.382-3(a), including any group of persons acting pursuant to a formal or informal  
26 understanding among themselves to make a coordinated acquisition of PG&E Stock.
- 27 (j) “**Substantial Stockholder**” shall mean any person (including any Entity) or  
28 Acquiring Group that beneficially owns at least 24.6 million shares of Common Stock (representing

1 approximately 4.75% of all issued and outstanding shares of Common Stock).

2 (2) Notice of Substantial Ownership. Any person (including any Entity) or Acquiring  
3 Group that beneficially owns, at any time on or after the Petition Date, PG&E Stock in an amount  
4 sufficient to qualify such person or Acquiring Group as a Substantial Stockholder shall serve upon (a)  
5 PG&E Corporation, 77 Beale Street, P.O. Box 770000 San Francisco, California 94177 (Attn: Chris  
6 Foster); (b) Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn:  
7 Stephen Karotkin, Esq.; Jessica Liou, Esq.; Matthew Goren, Esq.; Kevin Bostel, Esq.), as proposed  
8 counsel to the Debtors; and (c) counsel to any statutory committees appointed in the Chapter 11 Cases  
9 (each an “**Official Committee**”) (collectively, together with the Debtors, the “**Disclosure Parties**”) a  
10 notice of such person’s or Acquiring Group’s substantial ownership (a “**Substantial Stock Ownership**  
11 **Notice**”), in substantially the form annexed to the Final Order as Exhibit 3, which describes  
12 specifically and in detail such person’s or Acquiring Group’s ownership of PG&E Stock, on or before  
13 the date that is the later of (x) twenty (20) calendar days (the “**Initial Notice Due Date**”) after the entry  
14 of the order granting the requested relief or (y) ten (10) business days after such person or Acquiring  
15 Group qualifies as a Substantial Stockholder.

16 (3) Acquisition of PG&E Stock. At least fifteen (15) business days (or, if the Initial Notice  
17 Due Date has not passed at the time of the filing of the Acquisition Notice (defined below), at least  
18 twenty (20) business days) prior to the proposed date of any transfer of PG&E Stock or exercise of any  
19 Option to acquire PG&E Stock that would result in an increase in the amount of PG&E Stock  
20 beneficially owned by any person (including any Entity) or Acquiring Group that currently is or, as a  
21 result of the proposed acquisition transaction, would be a Substantial Stockholder (a “**Proposed**  
22 **Acquisition Transaction**”), such person, Acquiring Group or Substantial Stockholder (a “**Proposed**  
23 **Transferee**”) shall file with the Bankruptcy Court and serve upon the Disclosure Parties a notice of  
24 such Proposed Transferee’s intent to purchase, acquire, or otherwise accumulate PG&E Stock (an  
25 “**Acquisition Notice**”), in substantially the form annexed to the Final Order as Exhibit 4, which  
26 describes specifically and in detail the Proposed Acquisition Transaction. At the election of the filing  
27 person or Acquiring Group, the Acquisition Notice to be filed with the Bankruptcy Court (but not the  
28 Acquisition Notice that is served upon the Debtors, the attorneys for the Debtors, and the attorneys for

1 any Official Committee) may be redacted to exclude the taxpayer identification number and the  
2 amount of PG&E Stock beneficially owned. In connection with any inquiries by counsel (“**Transferee**  
3 **Counsel**”) on behalf of a Proposed Transferee regarding a proposed acquisition of PG&E Stock  
4 (whether or not an Acquisition Notice has been or will be filed), in the event that non-public  
5 information is or may be provided to such counsel by the Debtor or its counsel, Transferee Counsel (i)  
6 shall keep such information strictly confidential and shall not disclose such information or any part  
7 thereof to any person (including the Proposed Transferee), except to the extent otherwise required by  
8 law, and (ii) shall acknowledge in writing to the Debtors its obligation to comply with clause (i).

9 (4) Objection Procedures. The Debtors and any Official Committee shall have ten (10)  
10 business days (or, if the Initial Notice Due Date has not passed at the time of the filing of the  
11 Acquisition Notice, fifteen (15) business days) after the filing of an Acquisition Notice (the  
12 “**Objection Period**”) to file with the Bankruptcy Court and serve on a Proposed Transferee, an  
13 objection (each, an “**Objection**”) to any Proposed Acquisition described in such Acquisition Notice. If  
14 the Debtors or any Official Committee files an Objection by the expiration of the Objection Period (the  
15 “**Objection Deadline**”), then the applicable Proposed Acquisition Transaction shall not be effective  
16 unless approved by a final and nonappealable order of the Bankruptcy Court. If neither the Debtors  
17 nor any Official Committee file an Objection by the Objection Deadline or if the Debtors and any and  
18 all Official Committees provide written authorization to the Proposed Transferee approving the  
19 Proposed Acquisition Transaction prior to the Objection Deadline, then such Proposed Acquisition  
20 Transaction may proceed solely as specifically described in the applicable Acquisition Notice. Any  
21 further Proposed Acquisition Transaction must be the subject of an additional Acquisition Notice and  
22 Objection Period.

23 (5) Confidential Information. Other than in connection with any filing with, or audit or  
24 other investigation by, the IRS or other taxing authority, the Disclosure Parties shall not share the  
25 information in any Substantial Stock Ownership Notice (or in any other notice provided for in these  
26 Stock Procedures) with any other person, except (i) to the extent necessary to respond to a notice or  
27 other filing with a court of competent jurisdiction in furtherance of the Final Order (including filing an  
28 Objection) or to enforce the Final Order, (ii) to the extent otherwise required by law or (iii) to the

5 strictly confidential and shall not disclose the contents thereof to any other person, subject to an order  
6 of the Bankruptcy Court and except in the circumstances described in clauses (i) and (ii).

7 **B. Noncompliance with the Stock Procedures**

9 *initio* as an act in violation of the automatic stay under section 362 of the Bankruptcy Code and  
10 pursuant to the Bankruptcy Court’s equitable powers under section 105(a) of the Bankruptcy Code.  
11 Furthermore, any person (including any Entity) that acquires PG&E Stock in violation of these Stock  
12 Procedures shall be subject to sanctions as provided by law.

13 **C. Debtors’ Right to Waive**

14 **The Debtors may waive, in writing, any and all restrictions, stays, and notification**  
15 **procedures contained in this Notice.**
